Dear student:

When you completed the FAFSA, you either did not answer whether or not you are male or female or you answered "no" that you are registered with the selective service system. Almost all male U.S. citizens and male immigrants, who are 18 through 25, are required to register with Selective Service. In order to complete the financial aid process, please verify your status by checking the box below that best describes your situation.

- I am a female.
- I am 17 years of age and will not turn 18 until after the start of the school year.
- I have registered with selective service. *(Provide documentation to confirm registration. Registration confirmation may be retrieved from www.sss.gov.)*
